Community Shocked by Sudden Death
of Youngster.

One of the saddest deaths that this
community has suffered for some time
was that of David, the three-year-old
son of Mr. and Mrs. Randall Hall.
His death occurred last Wednesday eve-
ning, October 8.

The little fellow had apparently been
in good health throughout the
summer and had been out of doors
much. About noon he came into the
house and complained of feeling sick.
Shortly later he lapsed into unconsci-

ousness. Medical aid was summoned and all
that could be done was done, but with-
out avail and in six hours he passed
away.

The doctors pronounced the
cause cerebral spinal meningitis.

Funeral services were held at the
home of his parents Saturday after-

noon. Rev. T. R. Taggart officiating
and speaking words of comfort to the

stricken parents. The body was
interred in Groton Union cemetery.
